## **Fairfield Technologies Inc. Awarded GSA IT 70 Schedule IDIQ Contract**

**Chantilly, VA – September 20, 2010** – Fairfield Technologies Inc. (FTI) announces its award of a GSA IT 70 Schedule indefinite delivery/indefinite quantity (IDIQ) contract (contract #: GS-35F-0643W). The IT Schedule 70, a Multiple Award Schedule, grants agencies direct access to commercial experts who can thoroughly address the needs of the government IT Community through 20 Special Item Numbers (SINS). Fairfield technologies will be working under SIN 132-51, which focuses on Information Technology Professional Services.

Under this contract, FTI will provide services including but not limited to: resources and facilities management, database planning and design, systems analysis and design, network services, programming, conversion and implementation support, network services project management, data/records management, subscriptions/publications (electronic media), and other such services. FTI's IT 70 schedule contract provides clients a general schedule for technical services on a trusted GSA vehicle at a pre-negotiated "best value price" for FTI's Federal and state customers.
