

Fairfield Technologies Inc. Awarded GSA MOBIS 874 Contract

Chantilly, VA- October 1, 2008 --Fairfield Technologies Inc. (FTI) announces its award of a GSA Management Operation and Business Improvement Services (MOBIS) Schedule 874 contract. The contract enables FTI to serve government departments and agencies under two sections of the MOBIS schedule, Consultation Services (874-1) and Program Integration and Project Management Services (874-7).

Under Consultation Services FTI provides expert advice, assistance, and guidance in support of agencies' mission oriented business functions, including strategic advising, research, and business process reengineering. Program Integration and Project Management Services include assistance to agencies in planning, initiating, managing, executing, and closing out mission oriented business programs and projects. FTI's MOBIS contract provides clients a general purpose schedule for consultative services on a trusted GSA vehicle at a pre-negotiated "best value price" for FTI's Federal and state customers.
