

Fairfield Technologies Named a Subcontractor to Accenture's TIPSS-3 Contract Award

Chantilly, VA- January 31, 2006--Fairfield Technologies Inc. (FTI) has been named a subcontractor on Accenture's Indefinite Delivery/Indefinite Quantity contract under the Total Information Processing Support Services (TIPSS-3) vehicle at the Department of the Treasury. The TIPSS-3 program is hosted by the Department of the Treasury with primary focus on Internal Revenue Service contracts but also may be utilized for contracts for other government departments and agencies. A complete listing of services offered by FTI under Accenture's TIPSS-3 contract may be found under contract vehicles listed at www.fairfieldtech.com.

"FTI is ready to serve clients with Accenture under TIPSS-3," said Kenneth Fried, FTI president. "We're pleased to add additional procurement breadth for clients wishing to employ our experience with both commercial and federal financial services systems."

#

For twenty years, Fairfield Technologies Inc. (FTI), a CMMI Level 3 company, has provided thought leadership in Information Technology, Business Process Reengineering, and Program Management to our Federal and commercial customers in four main markets: Defense, Intelligence, and Homeland Security; Space, Weather, and Environmental Systems; Healthcare IT, and; Financial Services. With our strong "Customer-Focused, Results-Drivensm" culture, FTI uses client mission knowledge and expertise, outstanding personnel, industry-leading methodologies and "best practices", and advanced technology to deliver system development, modernization and performance improvement projects to our customers, at or below budget and on or ahead of schedule.
