

Fairfield Technologies Inc. Receives Tekamah Corporation USUHS Support Contract Award

Fairfax, VA- September 29, 2006 --Fairfield Technologies Inc. (FTI) has received a subcontract award from Tekamah Corporation in support of the Uniformed Services University of the Health Sciences (USUHS). Tekamah Corp. provides a range of administrative support services to USUHS across multiple organizational units including routine billing, human resources records management, and financial planning.

FTI's contract with Tekamah enables significant cost sharing between the two companies, and will allow USUHS services to be housed jointly in FTI's Virginia facilities. FTI will provide remote processing and service to USUHS over wide area networks via Tekamah and on Tekamah Corp.'s behalf.

"We're pleased to provide flexibility to both USUHS and our prime contractor, Tekamah, while continuing the same service levels USUHS has come to expect for this contract," said Kenneth Fried, FTI president.
